About Us

We are an independent change management consultancy with over 13 years of proven experience partnering with organisations to successfully deliver strategic outcomes and achieve critical business objectives.

Our consultancy is built on a foundation of expertise and a track record of driving meaningful transformation across a broad range of industries. We work closely with our clients to navigate complex change, providing tailored solutions that align with their vision and goals.

Our team comprises of subject matter experts with extensive experience in leading and managing multi-million-pound change and transformation programmes. We specialise in enhancing organisational performance, streamlining operations, and implementing innovative technology solutions that support sustainable business growth and improved service delivery.

Whether it's introducing new systems, reshaping operating models, or driving cultural change, we bring a hands-on, collaborative approach to every project—ensuring that change is not only delivered but embedded successfully.

Who do we work with

Our core specialism lies in delivering change and transformation programmes within the Gas, Water, and Energy Utilities sectors, where we have extensive experience operating in highly regulated environments. This has equipped us with a deep understanding of the complexities, compliance requirements, and operational challenges unique to these industries.

While our expertise in utilities is well established, we are not limited to this sector. Our adaptable and transferable skillset enables us to successfully support clients across a

wide range of industries. We bring a flexible, solution-focused approach that allows us to tailor our services to the specific needs of each organisation—regardless of sector.

We are proud to have supported a diverse portfolio of clients, past and present, including:

- Murphy Group
- Balfour Beatty PLC
- BBCLG
- Severn Trent PLC
- Cadent Gas Limited
- Skewb Ltd

Our partnerships with these organisations demonstrate trust in our ability to deliver tangible value and drive successful outcomes in complex environments.
