

OhioMeansJobs

OhioMeansJobs is your one-stop resource for job search assistance, career planning, training programs, and more. Whether you're a job seeker, student, or employer, OhioMeansJobs provides free tools and services to help you reach your goals in today's workforce.

For High School Students:

OhioMeansJobs offers a special **Student section** designed to help teens explore career interests, build skills, and plan for life after graduation. High school students can:

- Take career interest surveys to discover potential career paths
- Explore in-demand jobs and what education or training they require
- Build a professional resume using step-by-step tools
- Access practice tests for the ACT, SAT, and ASVAB
- Learn about internships, apprenticeships, and college options
- Track progress through the Career Profile dashboard

Start planning your future today at:
