

MCC NEWSLETTER

TRUNK OR TREAT

Mark your calendar! [Trunk or Treat, Saturday October 30th](#). We have a few people signed up to decorate carts, but we are in need of more to make this a successful event! Contact Megan at the Clubhouse by Monday, October 25th, if you would like to participate. We will announce on Facebook what time the event will begin.

CART PATHS

This fall a few of the board members and volunteers from the membership have been working on updating cart paths. We really appreciate all they have done. Please be aware of the construction and take precautions to avoid these areas.

COURSE

It's that time of year where the temps are dropping. Beech asks that you remain off the course if the temperature is below 45 degrees. Also, please fix your ball marks and take care of the course while enjoying your round of golf.

STAFF

A huge THANK YOU to our staff for working hard and helping us get through another busy summer here at the Minden Country Club.

We ask members to show their appreciation by being kind and respectful to the bartenders.

FOOD NIGHTS

Food Nights will return this fall. Keep an eye out for flyers around the club and Facebook posts. Beer & Burger Night, Soup Night, Chicken Fried Steak are just some of the things we will have on the menu this winter.

MCC BOARD

Interested in being more involved? We are looking to fill 2 positions on the MCC Board of Directors for 2022. Please submit names to a current board member for consideration. Ballots will be included in the 2022 dues mailing to members who own stock. We will count votes and announce the new board members at the Annual Meeting.

WINTER HOURS

November 1st will be the start of Winter Hours.

The Clubhouse will be open 4:30pm-8:30pm nightly.

Holiday Closures include Thanksgiving, Christmas and New Years.
