A Note From Beech

Fall has arrived, left, and returned again. The course is going into winter in great shape with all the moisture we have had. I will be sanding the greens when colder weather comes. This will most likely be in late November. The course has been sprayed for weeds this month and we hope this will help prevent them from coming up in the spring. I also planted 8 new trees this fall and will be replacing dead trees in the spring along the highway. I would like to say a big "Thank You" to Justin Betty, Jeff Johnson, and Dusty Space for helping form up and pour the concrete path on #5 & #8. I would also like to thank Justin Cavanaugh, Larry Newcomb, and Dave Guthrie for the extra help and support. It was much appreciated. Also, Simon McKenzie for the donuts and Rick Chramosta for the use of his concrete screed. When golfing, please use the blue temporary tees located in front of the tee boxes.

Have a fantastic Thanksgiving, and Go Big Red! Thanks, Beech
