

MINDEN COUNTRY CLUB

Fall Newsletter

Carts and Covid.

The Minden Country Club closed its doors for two weeks on August 10th, in response to members and staff testing positive for Covid. The Board of Directors made this decision in hopes it would help slow down the spread of the virus. Unfortunately, while the clubhouse was closed, it was reported that our young members took advantage of the situation using the course as their own personal playground. Treating carts like bumper cars, hitting into people and generally not respecting the game of golf, this course or the property. As you can see from the pictures above, someone took it too far. We hope the person driving the cart is OK, and did not get hurt. We do not know though because no one has come forward to admit to this accident or to explain how it happened. If you are responsible or have information about what happened, please contact a board member. Effective immediately, if no one is willing to admit their wrong doing, anyone under the age of 18 is no longer permitted on the course without a parent present. The girls golf team is excluded to these terms while practicing.

Symptoms of Coronavirus (COVID-19)

Know the symptoms of COVID-19, which can include the following:

Symptoms can range from mild to severe illness, and appear 2-14 days after you are exposed to the virus that causes COVID-19.

Non-Members Need to Pay to Play!

We know it's been a weird year. From closing the clubhouse completely, to allowing members only, then to finally open to full capacity and allowing all players. We appreciate you bringing guests and wanting to share in the game of golf with friends and family here at the Minden Country Club. We ask that you check in all guests. Non-members are required to pay green fees to play. If the clubhouse is not open there is a box to the right of the front door where they can drop their payment for green fees. As members we ask you to support the club so we can remain open and continue to provide a great place to golf and socialize.

FALL HOURS
MON-FRI 10AM - 9PM
SAT & SUN 9AM - 9PM

Know the symptoms of COVID-19, which can include cough, shortness of breath or difficulty breathing, fever, chills, muscle or body aches, vomiting or diarrhea, and new loss of taste or smell. We ask if you have one or more of these symptoms to please refrain from coming into the clubhouse.
