# PTA POST

YOUR GUIDE TO THE LATEST UPDATES & EVENTS

## Back to school

### NEW SCHOOL YEAR, NEW LOOK PTA!

Welcome back to school, and for those of you who are new to W.A.S.P.S, an even bigger welcome to our school community!

As many of you will know we have been working hard to relaunch our PTA. We even have a new logo, lovingly known as 'Wally the Wasp' designed for us by parent volunteer Finn Colvin. The committee have been meeting virtually but we are very excited to tell you that the first in-person meeting is on 7th October and will once again be open to everyone! Please do come along, we welcome the support and ideas of the entire school community so we can raise as much money as possible to enhance our children's learning and experience. As much as we love to hear your ideas for fundraising events, what we also need to know is how and where you feel we should allocate funds. We will most certainly contribute to our swimming pool but there are many areas where we can make a difference! For those new parents, we recently purchased a defibrillator, upgraded the roof on the pencil shelter and bought lots of new books.

### WE ARE NOW A CHARITY!

There are many ways we can raise money but now we have official charity status we are able to bid for grants and funding from a variety of sources. If you have ANY experience in this area we'd love you to help us!

### W.A.S.P.S RECIPE BOOK

If you have yet to secure your copy of the amazing school community recipe book then you can still purchase on ParentPay. £12 each or 2 for £20, The simplest way to brag about having started your Christmas shopping early!

### SECOND HAND UNIFORM

Uniform sales will happen termly and are run by parent volunteers Lisa Pritchard & Tor Easton. If you have any outgrown uniform in good condition please drop it off at the office.
