GRAND KNIGHT'S REPORT by Ken Lemos

The Catholic Church is really an amazing thing. You can always look back and say the men in leadership of the Catholic Church were not always the holiest. But, the church is amazing. All the pundit had the new Pope coming from the Philippines, Cardinal Luis Antonia Tagle or Ghanaian Cardinal, Perter Turkson. But, the conclave gave us American Cardinal, Leo XIV.

Now, I am not saying that the church should have picked him because he is American. What I am saying is that the Catholic Church is doing God's will, not the will of pundits or the people in the know. I know nothing of Pope Leo XIV's

views,

but I am excited to know where God has us headed now.

As for closer to home. We will have our regular meeting on Thursday, May 15, at 7pm. After the meeting, we will have refreshments and Brother Jay has promised to teach me how to play cribbage. Now, I am not sure if he is just being nice or if he plans to play for money at a later date and wants to create a new donor. We hope many can show up for our meetings and get back into fellowship. Our council needs this. We need all you.

We have some fun things planned for this summer. We are hosting a 2599 vs. 2454 rib cook off. That is right, Yreka vs. Weed. I want to beat them, and have

some fun with it. If nothing else gets you to a Knights of Columbus gathering, will ribs and beer? I will use whatever I can use to tempt you.

As we have many older Knights in our council, find one and go visit them. I will be going to one very soon. Just let them know that they are not forgotten.

Bring them communion if they don't already have someone doing it. Just stop in and say hello. God Bless

Vivet Jesus

A word from our editor:

Notes from our General Meeting:

We are going to have a BBQ Rib cookoff competition or KoC Parish BBQ (if no one accepts our challenge)

on July 19th at 11:00 AM at Brother Jay D'Eugenio's - Bring a Pot Luck Side dish.

Our Saints and Sinners Golf

Tournament and BBQ will be on Monday, August 11th (more updates later)

Our 100th Anniversary will be in March of next year. Anyone who attended anyone who might have attended the 75th year anniversary is encouraged to give the council some insight as to what might be included in such an important ceremony. March of 1926 was the year our council was formed.

Three accomplished graduating students ... Mossie Butler, Kylie Shaffer and Andrew Hill, all 4.0 students, were awarded scholarships to attend college this year. God Bless them all!

There will be a meet and greet for the Fourth Degree at Mt. Shasta Resort coming up in a few days. Call the resort or Ken, Jay or Terry for details.

Two Bit Theologian

If Christianity is all about love and forgiveness, why wasn't Judas forgiven for having a big mouth and be allowed to hang himself?
