

House and Ground Rules as per LYC Constitution & By-Laws

The Club House and Grounds are for the exclusive use of Members and their guests. Persons not known to be Members or guests will be treated as prospective Members and directed to an officer or board member to determine the nature of their visit.

Guest Courtesy Regulations:

- a. With the exception of a member's designated significant other and with approval of the Board, guests shall be limited to one visit per month for the use of the Club House. Use of the grounds to go to and from boats shall not be considered one of these visits.
- b. There is no limit on the number of times relatives of Members who live with the Member may use the Club House, if accompanied by the Member or one of his/her immediate family. Except for Associate Members, this also applies to a member's significant other (first mate).

All guests' names and their sponsor's must be entered in the register upon arrival. This does not include members of the immediate family of a Member. Maintenance of this register is required by law and improper entries will not be tolerated.
