We're pleased to share the following updates with our membership:

- Treasurer Argona has presented to the Bridge & Board a Financial Plan and Budget for 2024. The plan calls for \$1.08 million in revenues and a net profit of \$69,694
- Thank you all for your responses to our 2024 Member Survey. A total of 136 responses were received. The Bridge & Board will be sharing your survey feedback shortly!
- Progress on the patio project has been slowed as we wait for the delivery of the roof trusses, which are expected in the coming weeks
- At this month's Board Meeting the proposed amendment to the Club's Constitution was approved. With this change members are no longer required to cast 3 votes (should 3 director seats be open). Members can now cast 1, 2 or 3 votes depending upon their preferences and knowledge of the candidates
- Maintenance and repairs planned for the near future include replacement of the floor behind the Chart Room bar (work necessitated with the replacement of the cooler that was damaged by an electrical fire) and upgrading of the main electrical panel in the Club House
