Lori Nicoletti

A note from the Social Director....

Each year LYC members, our Officers, Directors and Committee people take time to plan events for our Club members and your guests to enjoy. For the year 2022 I was asked to retain the position as your Social Director.

For the best communication please read the weekly Shout-Out for upcoming events. We will do our best to give you the information needed so you can have a nice experience. Along with the Shout Out, the bulletin board in the Chart room will have the event flier as a reminder of what's happening. Some events may require a sign-up sheet. And we highly recommend calling in advance for dinner reservations to secure a dining table. This also helps with staffing.

I sincerely hope everyone has been able to stay healthy and safe. Cheers to a better 2022!

Sincerely Your Friend, Lori
