11 April 1996

Mr. John Parks,
Dell Explosives,
Redhall Mill Cottage,
Colinton Dell,
Edinburgh.

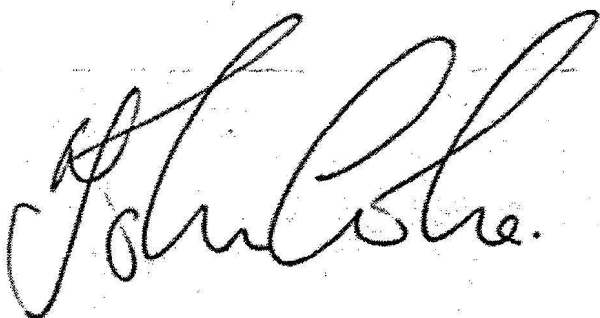

Dear John,

Bridge 178 - Yaxley, Peterborough.
Demolition - Easter Weekend, April 1996.

A brief note to thank you and your staff's efforts on our behalf at Peterborough last weekend. Your water bag system worked perfectly. We will certainly hope to use your services again, let us only hope that Railtrack give us all the chance.

The whole weekend was a success and you will be glad to know that we handed back the track six hours ahead of our deadline.

Yours sincerely,

John Clarke
Contracts Manager.
