Subject: Important PPOA Membership Voting – Elections & Contract Ratification

PPOA Members,

This week is an important week for our Association and our membership as we conduct voting on **two important matters: the PPOA Board elections and ratification of our new contract.**

Voting will take place beginning **September 7, 2026, and will close on September 11, 2026, at 11:59 p.m.** Attached to this communication, you will find the voting link for both matters.

We strongly encourage every member to take the time to review the information that was provided and **cast your vote on both matters.** Please also remind your fellow PPOA members and co-workers to participate and make sure their voices are heard. **Every vote matters, and strong member participation is essential to the Association.**

Election Timeline

Once voting closes on **September 11 at 11:59 p.m.**, the current PPOA Board will contact those members who have been elected throughout the weekend.

An official announcement of the election results will then be provided to the entire membership by **September 15, 2026.**

Following the election, there will be a little over **two-week transition period** to allow the newly elected Board members to work with the current Board, become familiar with their responsibilities, and ensure a smooth transition. The newly elected Board members will **officially take their seats on October 1, 2026.**

If you have any questions regarding either of the current voting matters, please do not hesitate to reach out to any current PPOA Board member.

PPOA Legal Counsel

Lastly, as requested during our site meetings, we are providing the contact information for our Association's attorney.

Dan Thompson is now with **Messing, Adam, Jasmine & Shore**.

Phone: 1-916-833-8018

Members may contact Mr. Thompson directly regarding matters appropriate for Association legal counsel.

Thank you to all of our members for your continued participation, support, and commitment to PPOA. This is an important time for our Association, and we encourage everyone to **make your voice heard by voting**.

Please vote September 7–11, 2026.

Respectfully,

PPOA Board of Directors
