Dear Sr. Pastor R.C. Stearns and Living Waters Church:

Attucks Middle School would like to thank you for the donation you made to our 1st Breakfast of Champions which will be held on April 10, 2019. This event will allow us to provide breakfast to our students that will be taking the STAAR test. Your donation of waffles and breakfast sausage is greatly appreciated.

In exchange for your donation, your church will receive:

- Recognition on the school website
- Publicity at the event welcome table
- Recognition in the school newsletter, which is distributed to almost 500 local households monthly

Our school community works hard to provide as many opportunities for our students to be healthy and live a physically active life style. Breakfast of Champions allows us to ensure that our students have a healthy and hearty breakfast at the start of their testing day. Breakfast of Champions is a step toward improving the health and wellness of our children.

Again, thank you for supporting our school. If you are interested in partnering with our campus in the future, please feel free to contact me at 832-563-2284 or kisha.parker@houstonisd.org.

Sincerely,

Dear Pastor Stearns,

This letter is in support of Living Water International Apostolic Ministries application for funding through the Greater Houston Community Foundation grant. Living Water IAM is committed to assisting the residents of Harris County in faith and community resources.

Living Water IAM has been dedicated to serving the community through Joseph House, a non-profit organization established to aid our most vulnerable residents. I have witnessed firsthand the work that Joseph House has provided to the community—programs such as food pantry, home repair for our elderly and disabled, clothes donation and homeless meal kits are offered weekly. These programs have assisted thousands each month. I realize that many families in our communities face many issues outside of the scope of the lack of a nutritious meal. Living Water IAM has effectively delivered an array of resources that both restores a person's moral and faith. In a county of over 4 million people we recognize the disparities many families are facing during these difficult times. It is faith-based organizations like Living Water IAM that step in to help reduce these gaps. It is why I strongly support Living Water IAM grant application process—so that it may continue serving our most vulnerable communities.

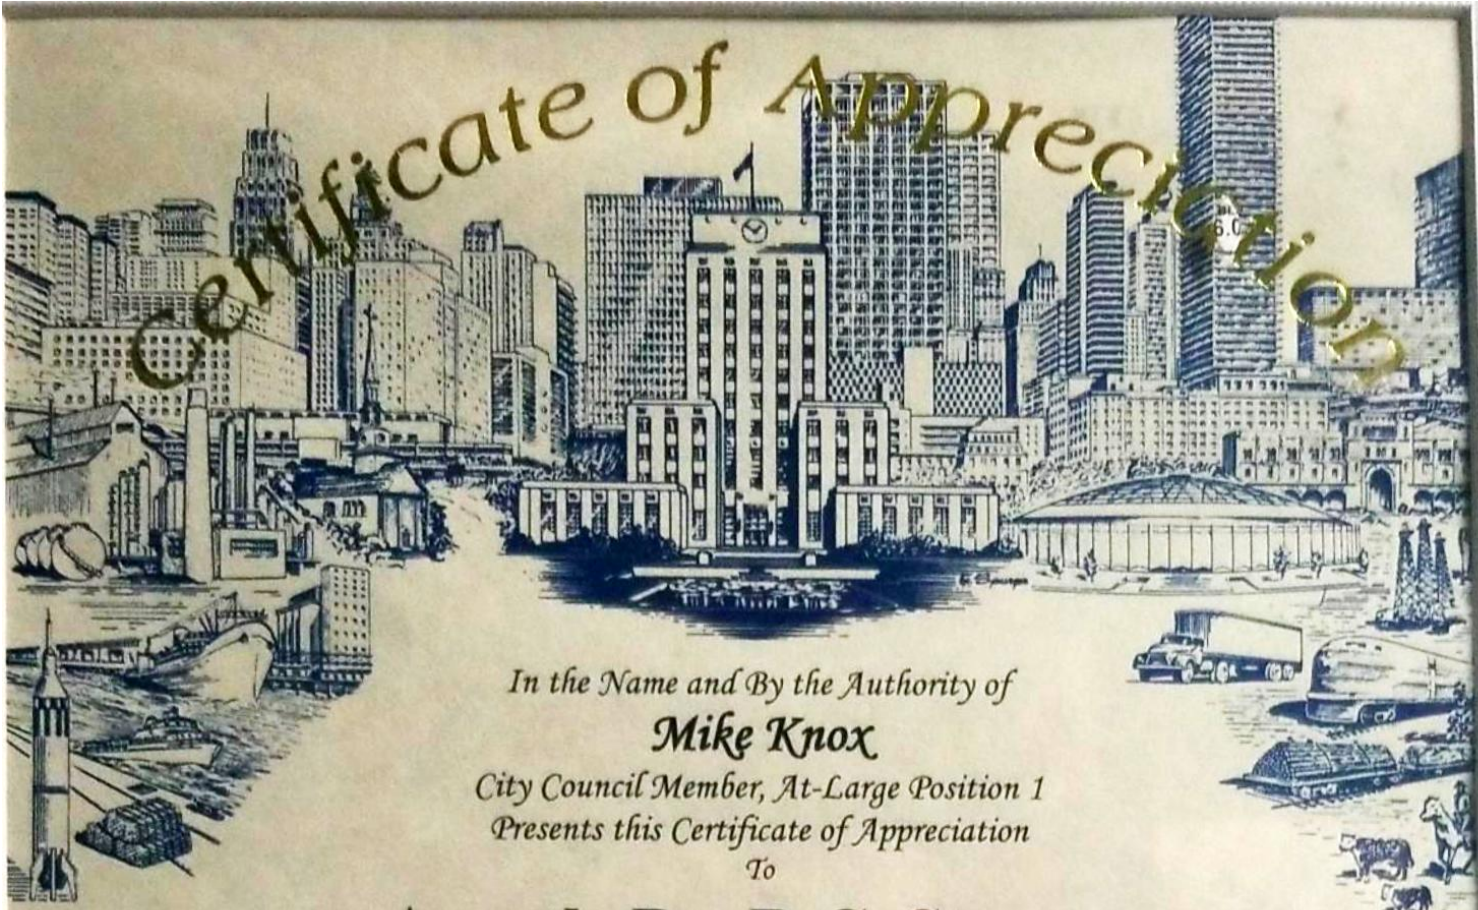

Again, I strongly support Living Water IAM efforts in their application process for funding. If I can be of further assistance, please feel free to reach me by phone at (713) 694-8620 or by email at Armando.Walle@house.texas.gov.

Sincerely,
