

Radon Mitigation Technician

Job Description:

Orr Environmental Solutions (OES) is looking to add a Radon Mitigation Technician that is responsible for the installation and service of radon mitigation systems. OES is looking for a self-motivated individual with a great attitude and a desire to be part of a growing company. The position requires the ability to work independently, as well as strong customer service, problem-solving, and time management skills.

Pay:

- \$45,000 - \$60,000 a year

Essential Functions:

- Inspect homes and work with customers to determine the most effective placement of radon mitigation systems
- Install radon mitigation systems by drilling holes, cutting and running PVC pipes, installing fans, and sealing cracks/holes

Who Qualifies:

OES is seeking candidates who have previous experience in areas such as a Cable Technician, Maintenance Technician, Plumber, HVAC Technician, Electrician, Handyman, Apprentices, Construction Laborers, Roofers, Carpenters, etc. are preferred but not required.

Candidates should have general construction knowledge, including the use of power tools (drills, roto-hammers, pipe cutting and gluing).

Qualifications:

- 1+ years' experience in construction, maintenance, or other skilled trades
- Lift and carry 60 pounds safely and regularly
- Strong mechanical aptitude
- Experience with tools and basic electrical work
- Ability to work independently in the field and connect with homeowners and commercial clients
- Work occurs both indoors and outdoors (in all weather), in crawl spaces, and on extension ladders
- Strong communication and interpersonal skills

- Willingness to consistently learn and adapt to new challenges
- Current driver's license and a good driving record is a prerequisite
- Candidates should have references and be willing to undergo a background check and a basic drug test

Benefits:

- Competitive pay
- Paid time off (PTO)
- Paid Holidays
- Company vehicle and tools
- On-the-job paid training and support with continuing education
- Flexible scheduling to support personal and professional needs
- Opportunity for advancement within a supportive team environment

Schedule:

- Monday to Friday
- Full-time
- Overtime as needed
- Weekends as needed
- Year-round work
- Overnight travel as needed

How to Apply:

- Call or Text: 812-430-4162
- Email resumes to: gorr@oesevv.com
