Description Of Groups and Activities for REN Wickenburg

Advocacy: Learn the seven advocacy skills to better communicate with others and take an active role in our journey.

Assertiveness and Boundaries: Discover techniques in setting boundaries, discovering the art of compassionate communication and skills for enhancing relationships with others.

Budgeting: Learn tips and techniques and share ideas that may improve our financial dimensions of wellness.

Budgeting on a Dime: This monthly interactive activity allows us to put our budgeting skills into practice while enjoying a meal with peers and celebrating monthly accomplishments.

Diabetes and Nutrition Awareness: Learn and discover ways of implementing changes on creating a healthier lifestyle and improving our overall health and wellness.

Meditation: Join us for an offsite guided group meditation led by a skilled facilitator trained in Reiki healing.

Movie Outing: Join us for an outing to the movies and enjoy a show. Bring extra money for a snack and drink, if you would like.

Open Topic: No materials needed for this one, share what's on your mind in a environment that offers safety and belonging.

Saguaro Jane's : This outing is for members in the Wittmann and Wickenburg area. Join us in receiving an abundance of fresh produce, grains and meals from this wonderful resource in Wittmann. *Limit 3, see Crystal for sign up, zip code eligible.

Self Esteem/Self Care: Explore techniques that may improve self esteem and increase overall wellness and explore the importance of having a self care routine.

Waves to Ripples Ranch: REN Wickenburg connects with Supportive Volunteering to tidy up pins, brush ponies and connect with nature in this offsite local activity.

One on One Support: Staff is available before and after groups for support in moving towards your individual goals.
