

PMPOA Gate Committee Quarterly Status Report

03/17/20

- 1) Monthly maintenance was conducted on the gate to verify both the YELP system and security cameras.
- 2) The exit camera was found to be defective at the end of February. A new camera has been installed and is now fully operational.
- 3) The committee has submitted official procedure documents to the board for approval. These have been stamped and placed in the President's book. Copies can be found on the website as well.
- 4) Two vendor codes were removed due to 1+ Year of no activity. Committee following up with several members to confirm if other codes can be removed due to sales or completed work.
- 5) Gate Activity:

March 2020 thru March 2021:
