At the heart of STILL MORE PAPER is a thoughtfully curated palette of low volume hues designed to complement any color scheme. This collection

includes three main tones: pure white, which brings a fresh look that's perfect for pairing with bright colors; eggshell, a warm, light hue that blends beautifully with the muted tones often seen in traditional fabrics; and fog, a cool, elegant shade with just enough depth to add sophistication. These three tones mix effortlessly, adding subtle variety and interest to your projects.
