### Our beloved shop is looking for a new owner!

When I saved Stitching on State from closing five years ago, my intention was to own it for five years and retire. Now that I'm ready to pass the baton, my hope is that this cherished business remains a quilt shop, owned by someone who loves it as much as I do. This gorgeous shop, set in a treasured historic home, is a truly unique opportunity. I've worked hard to restore, improve, and enhance it for the next generation of quilters. I deeply value the talent, heart, and care our team brings to every customer interaction and class. I hope a new owner sees the potential here and makes it their own.

If you're looking for one of the best adventures you'll ever have, this may be it! Please email me if you are interested at [info@stitchingonstate.com](mailto:info@stitchingonstate.com). Let's talk!

With love,  
Pat Krenz
