We are still looking for a new owner. Could it be you?

Our gorgeous shop, set in a treasured historic home, is a truly unique opportunity. I've worked hard to restore, improve, and enhance it for the next generation of quilters. I hope a new owner sees the potential here and makes it their own. If you're looking for one of the best adventures you'll ever have, this may be it! Please email me if you are interested at info@stitchingonstate.com. Let's talk!

Without a buyer coming forward very soon, we will proceed with our last day of business to customers on Friday, July 17th. We will host our last two sewing event sessions on the 25th and 26th.

With love,
Pat Krenz

PFAFF® Warranty News:

For all of our PFAFF® Customers, we'd like to let you know that Jeremy Roberts, of [Roberts Sewing Center](#), has offered to honor your machine warranty at his shop located at 2011 Weber Rd, Crest Hill, IL 60403.

His family has been in business since 1930, and he's a third generation quilt shop owner and PFAFF® dealer. I've included a wonderful [VIDEO](#) that showcases his family's beautiful history in the quilt shop business. To learn more, please email him at help@robertssewingcenter.com or call the shop at 815-729-1600. He's been very kind and gracious in our communication:

"We would be honored to provide warranty service on their machines, as long as they are properly pre-registered with Stitching on Sate listed as the dealer and still within the warranty period.

While we don't typically offer complimentary labor on machines purchased elsewhere, we would be glad to make an exception as part of supporting your customers through this transition.

If you have customers interested in the Icon 3, we've already had customers from your area reach out. We can help with that, of course. Our goal is to carry forward the level of care and expertise they've come to trust from you. Thank you again for everything you've given to the quilting community—it truly matters. Wishing you peace and all the best in whatever comes next. Warmly, Jeremy Roberts"

Shop with us through Friday, July 17th (last day we are open for business). Hours are Tues. through Fri., 10 am-3 pm & Sat., 10 am-4 pm.
