Lobster Interpretive Marine Life Centre - July 2023

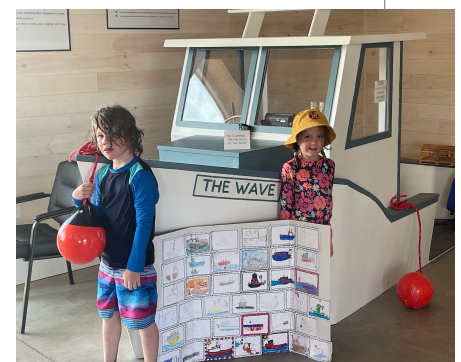

Arisaig Lobster Interpretive Marine Life Centre - Grand Opening!

We are pleased to announce the official opening for the new Arisaig Lobster Interpretive Marine Life Centre will be taking place on July 15th from 1pm - 4pm with the official ribbon cutting at 2pm. There will be a BBQ, fun for the kids, raffles and live entertainment featuring Doug Boyd on the bagpipes, the Arisaig Fiddlers, and The Ceilidhmen featuring Neil MacDougall.

We hope you will join us, come and have fun and celebrate this accomplishment and wonderful new asset for our community!

DID YOU KNOW?

Our Centre boasts a 1/3 to scale Cape Islander Boat, and what's a boat without a name! The naming of the boat was left up to local P-4 students, with the winning name "The Wave" submitted by both Eleanor MacInnis (Doctors Brook) and Arlo MacInnis (McArras Brook).

FUNDRAISER

Please [CLICK HERE](#) or visit ArisaigNovaScotia.com to access additional information and to purchase tickets on our fundraising initiative for the Lobster Interpretive Marine Life Centre

Looking to donate your **refundables**? The white shed behind the Arisaig Ballfield is available for drop off during the summer months, with proceeds going to the **Arisaig Ballfield Revitalization Project**

Arisaig Ballfield Revitalization Project

This spring, volunteers began work on the rebuild of the Arisaig Ballfield. Damaged and unsafe portions of the fencing, dugouts and bleachers were removed. Grants to cover a portion of the rebuild were received by both the Municipality of the County of Antigonish and the Provincial Government. The Arisaig Playground & Recreation committee is busy planning fundraisers and seeking out other sources of funding to complete the revitalization project.

*Come out and enjoy some ice cream at the
Arisaig Lighthouse, open every day from 12-8 pm*

Arisaig Parish Community Centre

APCC is installing a 30Kw standby generator and upgrading the hall electrical panels. As of June 14th, the propane boiler and generator, with jersey barriers, were installed. The electrical panel upgrade and generator commissioning are scheduled for completion in July.

The APCC is part of the Municipality of the Antigonish of County Net-Zero project. Work is progressing for the installation of new low energy lighting, solar panel array, and a heat pump for the kitchen. The kitchen heat pump will be installed in early July with installation of remaining components still to be scheduled.

*For ball rental information, please email
 Ian MacDonald at arisaigpccenter@gmail.com
 or call (902) 580-0553.*

Arisaig Pickleball

The Arisaig Pickleball Park, with three outdoor courts, opened in early April for the 2023 outdoor season.

To book play times, please use **PlayTimeScheduler** <https://playtimescheduler.com> and select *PNS - Highland Region, NS*.

Beginner and advanced clinics are available upon request.
