The Exhibits Committee of the ALIMLC requests your help gathering memorabilia, pictures and stories of the local fishery. We are currently working on display(s) to highlight the salmon fishery, but also welcome suggestions and contributions for all local fishing activities. Exhibits are developed in stages and will continue as new ideas are generated. While the building is spacious and beautiful, we try to be creative in how displays are presented to appeal to a wide range of interests and ages and allow for development of future exhibits.

New members are very welcome to join this committee by contacting a committee member. Your assistance is also appreciated if you prefer to work on an exhibit of particular interest to you.

Please text, or call a committee member: Linda LeBlanc (902-870-9542); Catherine Ross (902-401-4452); Ann MacQuarrie; or Mary MacInnis (902-870-7732) for further information.

### Inclusive Playground Project

The Arisaig Parish Community Centre Inclusive Playground Project has secured a major part of the funding required to go ahead with the project. The Playground Committee have ordered equipment: 4 bay swings, sensory

items, climbing and spinning

components. Civil work commenced in late December. If you want to get involved, or would like more information, contact us at <a href="mailto:arisaigpccenter@gmail.com">arisaigpccenter@gmail.com</a>

#### **Arisaig Fiddlers**

"Bliadhna Mhath Ur a - huile duine"

(Happy New Year Everyone)

In 2025, our group invite anyone interested to join a new group aimed at beginning fiddlers. Fiddles will be available to get you started. Come with enthusiasm and a smile and we guarantee you will be playing tunes before you know it! Stay tuned for updates.

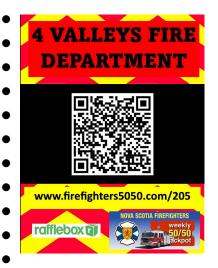

Mark your calendar for February 22nd from 1:30-4 pm at the Arisaig Parish Community Centre and enjoy an entertaining afternoon of fiddle sessions. Come to just listen, or join in this informal gathering of local and guest fiddlers playing some favourite tunes. Instruments other than fiddles are also welcome. We guarantee you will be tapping your toes!

Did you know... Angus Aurelius MacEachern AKA Lame Angus (1899-1985) a native of Eigg Mountain was a well-known character around the district.

In 1940 he is reputed to have killed this bear on the Mountain and came to Town each day proudly displaying his trophy for all to see.

After about a week or so of this; authorities advised not to come again as the bear was getting a little ripe.
