

Hand Spinning Demonstration

Part of the Open Centre Series

“In the Fall and early part of Winter particularly, in every home could be heard the almost incessant Stur-ur-ur of one or two spinning wheels and the regular Clack de-clack-clack of the loom.”

From Vignettes of Antigonish County Life (The Casket) circa 1915

The North Nova Spinners and Hand Weavers will be demonstrating the art of hand spinning on the wheel and drop or supported spindles at the Arisaig Lobster Interpretive Marine Life Centre. NNSHW is a group of area residents who still practice the art of spinning yarn to be used in knitting and weaving. Drop by and enjoy the “stur-ur-ur.”

Saturday, July 19, 2025

1:00-3:00 pm

**Arisaig Lobster Interpretive Marine Life Centre
140 Arisaig Point Road**
