

"I'm so grateful for Jen. She was punctual, organized and confident in her abilities, which helped ease the anxious atmosphere. She absolutely nailed all the hairstyles all the ladies wanted (who by the way have all different hair types and lengths) without any issues or complaints. I couldn't say more about how much I LOVED working with Jen and how impressed I was with her talent and services. I wouldn't want anyone else to help make me feel my most beautiful self on my wedding day! You will not regret hiring her for her services. She is the best of the best! 🌻"

- Carley, 2023 Bride

"Jen was an absolute blessing on my wedding day. She took her time on each of my bridal party and made each one feel special. At my trial we discussed that I wanted Hollywood waves and she brought my dream to life. On my wedding day they were perfect and held up so well! Jen is a blessing and I would recommend her to any of my friends or family" - Divna, 2023 Bride
