✓ Arboriculture and forestry
✓ Horticulture
✓ Landscaping and grounds maintenance
✓ Utilities and estate management
✓ Local authorities and conservation
✓ Other woodland and land-based industries

ASSESSMENT & CERTIFICATION

Assessment	Course Type	Course Duration
Integrated training and assessment	Lantra Training with Assessment	1 Day May vary with experience

PREPARING FOR YOUR COURSE

This course includes theory and hands-on practical training using a woodchipper. 7Y Training will confirm any clothing, PPE, equipment and site requirements before attending.

Appropriate PPE required	Personal medication	Phone/tablet If needed during breaks	Lunch Please bring if required

IMPORTANT:

Woodchippers are powerful machines and can cause serious injury if operated incorrectly. Learners must follow all training and safety instructions throughout the course. There are no formal prerequisites, although inexperienced operators may require additional time. Please ask Paula if you are unsure whether this course is suitable for your requirements.
