TRAINING THAT BUILDS CONFIDENCE
Keep Stepping Up.

WHAT YOU'LL LEARN

By the end of the course, learners will have developed the knowledge and practical skills required to operate a Mobile Elevating Work Platform safely and competently.

✓ Operator responsibilities & safe working practices
✓ Planning work & risk assessment
✓ MEWP components & controls
✓ Pre-use checks & safety devices
✓ Machine stability & limitations
✓ Safe manoeuvring & positioning
✓ Working in open & confined spaces
✓ Safe access and working at height
✓ Banksman signalling
✓ Working near overhead power lines
✓ Emergency lowering procedures
✓ Correct parking, shutdown & post-use checks

WHO IS THIS COURSE FOR?

Mobile Elevating Work Platform training is suitable for:

✓ Novice operators requiring full training

✓ Experienced operators requiring formal training and assessment

✓ Existing operators requiring refresher or conversion training

Course duration will depend on previous experience and training requirements.

ASSESSMENT & CERTIFICATION

Assessment
Learners complete both theory and practical assessments to demonstrate their knowledge and operating competence.

Certification
Successful learners will receive an accredited ITSSAR, LANTRA or In-House certification.

Refresher Training
Refresher training is recommended to help maintain safe operating skills and competence.

PREPARING FOR YOUR COURSE

Please come prepared to take part in practical activities.

Safety Footwear
must be worn for the practical elements.

Photo ID
Please bring photo ID with you for registration

Suitable Clothing
Wear comfortable, clothing suitable for operating machinery

Medication
Bring any personal medication you may need during the day.

Lunch
Please bring a packed lunch.

IMPORTANT!

Steel toe-capped safety footwear must be worn for the practical elements of the course. If you arrive without suitable safety footwear, you may be unable to take part in the practical training.

HARNESS TRAINING

Depending on the type of MEWP being used, appropriate harness training may be required prior to, or incorporated into, the course.
