✓ Inspecting the cutting mechanism and identifying defects
✓ Preparing and operating the stumpgrinder safely
✓ Using safe techniques across a range of stump sizes
✓ Clearing the site and preparing the machine for transport

👥 WHO IS THIS COURSE FOR?

This course is suitable for those working in:

✓ Forestry and woodland industries
✓ Arboriculture
✓ Agriculture and horticulture
✓ Landscaping and grounds maintenance
✓ Local authorities and conservation
✓ Other land-based industries

ASSESSMENT & CERTIFICATION

Assessment	Course Type	Course Duration
Integrated training and assessment	Lantra Training with Assessment	1 Day May vary with experience

PREPARING FOR YOUR COURSE

This course includes theory and hands-on practical training using a stumpgrinder. 7Y Training will confirm any clothing, PPE, equipment and site requirements before attending.

Appropriate PPE required	Personal medication	Phone/tablet If needed during breaks	Lunch Please bring if required

IMPORTANT:

Stumpgrinders are powerful machines with moving cutting components. Learners must be physically fit, able to complete the practical tasks and follow all training and safety instructions throughout the course. Please ask Paula if you are unsure whether this course is suitable for your requirements.
