## **City & Guilds NPTC Safe use of Pesticides (PA1)**

---

**Date:** TBC  
**Time:** 9:00am - 4:30pm approx.  
**Venue:** 7Y Training Centre, Wharton Farms, Leominster HR6 0NX  
**Duration:** 1-day training with an assessment on a separate date  
**Costs:** £195.00 per candidate plus VAT

### **Course Pre-requisites and Equipment Required**

**PA1** – no pre-requisites

### **Assessments**

**PA1** – *Date to be confirmed at the time of training*, this is a practical assessment and will take approximately ½ - 1 hour, carried out by an NPTC Assessor on a One to One basis.

**If an I.D. Card is required, please can the candidates bring a passport sized photo. An I.D. Card will not be issued if a photo is not received.**

### **Course Contents**

#### **PA1**

The candidate should be able to:

1. Identify those key aspects of legislation which apply to the use of pesticides.
  2. Identify the precautions necessary to use a product safely, using product label information.
  3. Identify, select and understand the maintenance and storage of the correct personal protective equipment for use with a particular product as determined by a label and/or COSHH risk assessment.
  4. State the correct procedures for the storage of pesticides.
  5. State the correct procedures for the disposal of empty pesticide containers, surplus pesticide and washings.
  6. State the records that must be kept after applying pesticides.
  7. Outline the situations where pesticide application may pose a risk to people or the environment.
- b) State the appropriate personal hygiene requirements to prevent personal contamination.  
c) State the appropriate procedures for dealing with accidental personal contamination.

**The above training and assessment are carried out by City & Guilds NPTC approved trainers and assessors.**
