7. Fire safety equipment checks

Is your Workplace Safe?

The QA Level 1 Award in Fire Safety Awareness is regulated, and nationally recognised qualification designed for those who want to increase their awareness of fire safety in the workplace.

Candidates will learn basic fire safety principles in order to ensure they are always keeping themselves and others in the workplace safe . They will also learn wat to do in the event of an emergency and the simple measures that can be taken to control the risk of fires.

With subjects covered in just half a day, this course is an ideal way to ensure that all employees have a good understanding of fire safety, whilst minimising disruption to your organisation's day to day activity.
