7Y TRAINING
TRAINING THAT BUILDS CONFIDENCE
Keep Stepping Up.

Forestry
First Aid + F

Specialist First Aid training designed as an add-on to EFAW or FAW, covering specific hazards encountered in forestry and agricultural environments.

Flexible +F Training Options

Forestry First Aid +F can be arranged as part of an Emergency First Aid at Work or First Aid at Work course, or as additional +F training for selected candidates who require the forestry element.
Standalone +F training may also be available for candidates who already hold an appropriate current First Aid qualification.

DURATION
Varies by Training Route Depending on course and awarding body

DELIVERY
Leominster or suitable locations across the UK

SUITABLE FOR
Forestry & agricultural workers

Certification
Certification appropriate to the awarding body and training route.

About This Course

The Forestry First Aid +F course is designed for people working in forestry, agriculture and similar environments where specific workplace hazards may be encountered.

At 7Y Training, +F can be delivered alongside an Emergency First Aid at Work or First Aid at Work course, or as additional training for eligible candidates who already hold an appropriate current First Aid qualification.

WHAT YOU'LL LEARN

By the end of this course, learners will have developed the knowledge and practical skills to respond to First Aid emergencies specific to forestry and agricultural environments.

✓ Extreme heat & cold
✓ Catastrophic bleeding
✓ Use of tourniquets
✓ Use of haemostatic agents
✓ Crush injuries
✓ Lyme disease
✓ Adder snake bites

WHO IS THIS COURSE FOR?

The Forestry First Aid +F course is suitable for:

✓ Forestry & agricultural workers

✓ Those working in remote or outdoor environments

✓ Learners completing EFAW or FAW who require additional forestry-specific First Aid training

+F can be completed alongside EFAW or FAW training, or as additional training for eligible learners who already hold an appropriate current First Aid qualification.

ASSESSMENT & CERTIFICATION

Assessment
Learners complete practical assessments throughout the course.

Certification
Successful learners receive the: Qualsafe Level 3 Award in Forestry First Aid +F (RQF)

Validity
Validity will depend on the First Aid qualification and +F training route selected.
