

WALK THE BRIDGE

Walk the bridge was formed to build bridges between residents, staff and the greater community. We plan to accomplish this goal/mission through various activities. Our primary focus is to give others an outlet through creative expression, such as:

Concerts

Karaoke/ singing

Acting

Dancing

Painting

Drawing

Art shows

Poetry nights

Plays/musicals/improv nights

Tournaments-chess, bag toss, call of duty etc.

The walk the bridge board is here to facilitate these events as well as review new ideas from fellow self expressionists so that we can support your creative journey.

If you have an idea or a gift or a talent you want to tell us about, please submit a kite or request to your local board of members.
