

Our Lady of Lourdes

2019 - 2020

Attendance Agreement Form

I understand that any child attending the Our Lady of Lourdes religious education program cannot miss any more than seven (7) classes/special days (e.g. penitential services, special masses, rosary day, etc.) during the 2019-2020 school year. I understand that as the parent or legal guardian, I must provide a written excuse for each class that my child misses, and my child will be provided with make-up work by their teacher that is expected to be completed and turned in to their respective teacher. If my child misses more than 7 classes, I understand that a meeting with Fr. Dugan will be necessary to determine if my child will continue to proceed on to the next grade level. This is of great concern especially for those students going through the sacramental and Confirmation process.

I also understand that along with regular attendance, it is my obligation as the parent or legal guardian to see to it that my child is attending Mass regularly (Sunday mass and Holy Days).

I also understand that religious education class begins at 9:10 am and will conclude at 10:15 am. I will make every effort to have my child in the classroom on time.
