STEWARDSHIP REFLECTIONS

The beatitudes describe the mindset and prioritize the activities of those who are destined for the Kingdom of Heaven. The only way to understand the beatitudes and to experience the realities they promise is to reframe our views and reshape our daily lives around them. “If we have wasted a talent, or dawdles our time away with worthless pursuits, or squander our resources, something inside of us just doesn’t feel right. That’s because our inner compass senses the right direction, even when we sometimes wander off course. Stewardship is already in your heart.” Which direction is your spiritual compass leading you to? Can you journey into a new view and set new priorities to build up the Kingdom of God that is here and now?
