Agreement

This document certifies that I give permission to Lunas Masahe for the psychological treatment of my child. I understand that massage or bodywork should not be construed as a substitute for medical examination, diagnosis, or treatment and that I should see a physician, chiropractor, or other qualified medical specialist for any mental or physical ailment of which I am aware. I understand that massage/bodywork practitioners are not qualified to perform spinal or skeletal adjustments, diagnose, prescribe, or treat any physical or mental illness, and that nothing said in the course of the session given should be construed as such. Because massage/ bodywork should not be performed under certain medical conditions, I affirm that I have stated all my child's known medical conditions and answered all questions honestly. I agree to keep the practitioner updated as to any changes in my child's medical profile and understand that there shall be no liability on the practitioner's part should I fail to do so. To ensure a continuity of care, Lunas Masahe may request that you sign a release of information to consult with other professionals that are involved in your child's care including: Pediatricians, Educational Psychologists, Teachers, Nurses, or other School Personnel.

Texas state law mandates the reporting of certain types of child abuse including physical abuse, sexual abuse, unlawful sexual intercourse, neglect, emotional and psychological abuse. All actual or suspected acts of child abuse will be reported to the appropriate authorities.
