

Mise En Place

“To Gather”

It was a joyful paradise found in the backyard of this desert valley. The Mise En Place Hawaiian Luau held at the San Tan campus of Central Arizona College has now come and gone but the happy memories made will forever last. Students, friends, and ohana shared the treasures of Hawaiian culture. With the sound of Hawaiian music playing throughout the event, guests enjoyed vendors, facing painting, games, a bounce house, shaved ice and drinks, dance performances, a Phoenix Jr. Knife fight and some delicious, authentic, Hawaiian food brought to the event by yours truly, the culinary club. A huge thanks goes to our club Advisor, Chef Blaise Aki and Mrs. Aki for helping the club put on such an event as this. We also thank 808 De Grindz, Dolly Hula Hawaiian dancers, Dance Spot, our club partner, Chef Ken Arneson, with the Phoenix Knife Fight, and all the students and volunteers that were involved. We can't wait to see the community again next year for the 2nd annual Mise En Place Hawaiian Luau!

5/7/22

It's graduation! Time to say goodbye to the students. They have worked hard for their education and have become well-trained aspiring culinarians. We will miss them in class but look forward to all the opportunities and experiences that now lay ahead of them. Culinary AAS degree and certificate receivers (in order from left to right): Krista Slade, Samantha Trent, Celina Dagnino, Andrea Ghatekari, Dakota Keenan, and Dylan Kavanaugh. Good luck graduates!

5/12/22
