

Pick Up and Drop Off

Map Illustration

Guidelines and Map for in and out for drop off/pick up. The “In & Out” approach for drop off and pick up is meant to be a smooth transition and traffic free experience for parents/guardians. Please adhere to the marked routes for arrivals and leaves. The route is further illustrated in the picture below for an easy-to-understand purpose. Parents come around the building for pick and drop off. Please consider the route to be a **“one-way traffic only.”**
