

# 5 Ways to Organize a Closet for Quick Outfit Picks

**1) ORGANIZE SHOE RACKS EVERY WEEKEND FOR EASY FINDING AND PICKING DURING THE WEEK.**

This will help save you time and energy when you are on-the-go.

**2) HAVE CLOTHES ALREADY ON HANGERS FOR THE ENTIRE WEEK IN OUTFITS.**

Doing this will provide the opportunity to save time and energy thinking and searching out the next day morning.

**3.) HAVE ACCESSORIES NEATLY STACKED FOR EASY PICKS THE NEXT DAY.**

A jewelry box neatly stores all items that can easily be seen and picked out to save time.

**4) ONCE EVERY 2 WEEKS, CLOTHES IN DRAWERS CAN BE NICELY FOLDED AND ARRANGED.**

This will allow for faster location of items that are needed, such as pairs of socks, pantyhose, underclothes, etc.

**5) DURING THE COLDER MONTHS, HAVE JACKETS NEATLY HUNG IN A CLOSET BY THE ENTRYWAY FOR QUICK PICK-AND-GO ROUTINES.**

**IF YOU ARE SPENDING TOO MUCH TIME IN THE MORNING PICKING OUT OUTFITS, SHOES, AND ACCESSORIES, YOU ARE NOT ALONE. USE THIS INFORMATION TO BECOME MORE ORGANIZED AND EFFICIENT DURING YOUR MORNING ROUTINE!**
