EDUCATIONAL CONTENT CREATORS

## ABOUT US

Efficiency and Organization is an organization that educates and assists those who:

- Want to improve their lives by becoming more efficient and organized;
- Have a lot to do and need as many tools and techniques as possible to do it all;
- People who dream big and have lots of ideas, but need efficiency and organization to put it all together successfully.

## WEBSITE CONTENT

Helpful ideas, tips, techniques, and strategies are posted on [efficiencyandorganization.com](http://efficiencyandorganization.com) weekly. Focus areas include:

Personal Life      Small Business Ownership  
Careers            Personal Finances  
Education         Students/Academics

## YOUTUBE CHANNEL

Educational content gets released on Efficiency and Organization's [YouTube channel](#) twice a week with helpful techniques, guides, and resources.

## SOCIAL MEDIA CONTENT

Content gets published daily on our social media platforms to educate and assist followers with all things related to goal-setting, planning, time management, personal efficiency, organizing, and more.

## BOOKS & PUBLICATIONS

There are currently 2 books published by Efficiency and Organization with a 3rd book to be released in 2023!
