# Leading with Strengths Workshop

**Price: Starting at \$3,000**

## **Your challenge:**

- New team members
- Need for team to collaborate better
- Need for communication to be more effective
- Need for everyone to contribute, to pitch in extra if needed
- Need to decrease “undesired” turnover

## **The deliverables:**

- 3-hour facilitated session morning or afternoon
- 30-minute on-line Gallup Strengths assessment for up to 10
- Detailed individual reports with action items for improvement
- Summary report for leader

## **The outcomes:**

- Leader and team discover their top-5 and bottom-5 talents
- See talent profile of the team - the overlaps and underlaps
- Understand strengths, weaknesses and blind-spots
- Understand needs associated with each strength
