Leading with Emotional Intelligence Workshop

Price: Starting at \$4,500

Your challenge:

- New leader or new direction
- Team member dissonance or declining team morale
- Need for team to collaborate better
- Need for more effective communication
- Need to decrease “undesired” turnover

The deliverables:

- 3-hour interactive on-site workshop morning or afternoon
- On-line Emotional Intelligence (EQ 2.0) assessment for up to 10
- 1:1 coaching session with each participant
- Detailed individual reports with action items for improvement
- Summary report for leader

The outcomes:

- Leader and team understand their level of self-awareness
- Improved cohesiveness and cooperation of team members
- Understand each EI category and how to maintain/improve/mitigate
