The Souhegan Scholarship Foundation needs your help...

The Souhegan Scholarship Foundation (SSF) serves the students of the Souhegan Valley, specifically in Amherst and Mont Vernon, NH. In order to serve our students, we need your help.

The Foundation's Board of Directors consists of local citizens who administer the SSF, raise money for scholarships, evaluate the students' scholarship applications, and grant awards to the students best meeting the criteria. This is a formal process requiring an interview for the finalists and is conducted in an impartial and strictly confidential manner.

The scholarships are awarded to assist students demonstrating academic achievement with financial need. Our local high school students have shown dedication to

scholarship and community service, and donations from the public have assisted these students with the high costs of higher education. To date, the SSF has granted more than \$250,000 in scholarships.

In order to qualify, applicants must be high school seniors, with permanent residency in Amherst or Mont Vernon. Attendance at a four-year college is not required as long as the program of study is full time and will result in a degree or diploma. All applicants must demonstrate scholastic achievement and promise. Financial need is considered. Public, private, and home school students are eligible.
