

SOUHEGAN SCHOLARSHIP FOUNDATION

SSF Business Scholarship

Awarded to a student pursuing a college degree in Business.

The Souhegan Scholarship Foundation (SSF) was formally established in 2003. The Foundation's Board of Directors consists of local citizens who administer the SSF, raise money for scholarships, evaluate the students' scholarship applications, and grant awards to the students best meeting the criteria. This is a formal process requiring an interview for the finalists and is conducted in an impartial and strictly confidential manner. The scholarships are awarded to assist students with financial need in their first year of college.

Requirements: Applicants must be high school seniors, with permanent residency in Amherst or Mont Vernon. Attendance at a four-year college is not required as long as the program of study is full-time and will result in a degree or diploma. All applicants must demonstrate scholastic achievement and promise.

SSF Board Members will contact chosen applicants selected for an interview in April.
