RE: Camp # 1-C-090

Dear Mr. Maun:

An inspection of State Forest Leased Campsite 1-C-090 was conducted on 6/18/2025 and the following discrepancies were found:

- Replace whole roof & shingles.
- Paint around foundation out back.
- Cease maintaining trail around parking spot, allow it to return to natural state.
- Asphalt driveway should not be patched or replaced. Return to stone when driveway breaks down.

Please have these discrepancies corrected or repaired by 7/1/2026, and contact the Forest District office upon completion.

If you have any questions or concerns regarding your Leased Campsite, feel free to contact me.

Sincerely,

Nathan Yocum
Leased Campsite Administrator
