

OneList Plus40

Increase your visibility.
Drive traffic to your
website.

Having your business listed with consistent information can improve your search engine rankings.

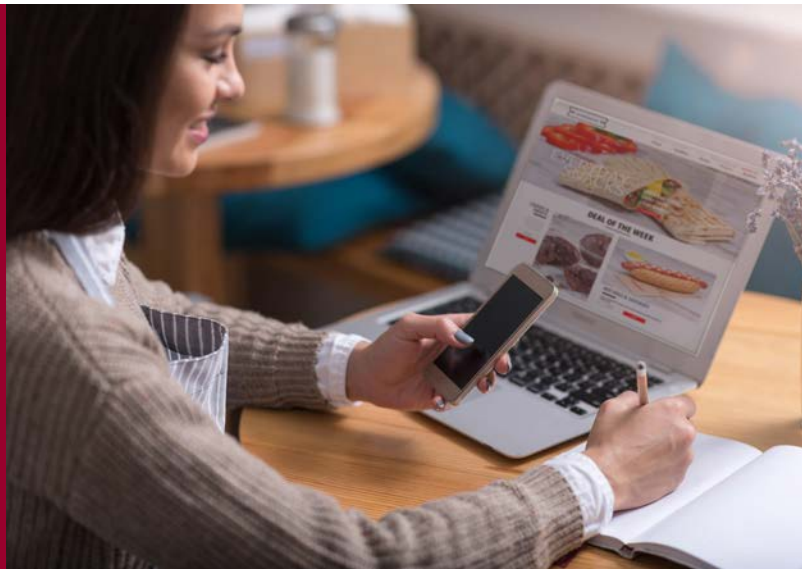

OneList Plus40 is a real-time online directory service that can boost your visibility when people are researching businesses online.

With OneList Plus40, we submit your business information to 40 online directories. The information is locked so it remains accurate and consistent across all directories.

\$85/MONTH
6-month commitment

Directories included in this service are subject to change without notice.

OneList Plus40 includes:

Exposure on 40 leading online directories, including:

- Google My Business
- Google Maps
- Bing Maps
- Facebook
- Waze
- Yelp
- Foursquare
- And more

List claiming. We claim and optimize your listings so nobody else can alter them. This ensures consistent, accurate information.

Centralized management. Your listings are updated with one click. No more manual updates!

Duplicate detection and closure. Duplicate listings negatively impact your authority within search engines. If we detect two or more listings for your business in a single directory, we'll suppress the duplicates.

Suppression of incorrect business information. The service overrides all listings containing incorrect business information.

Automated reporting. You receive monthly reports on the activity generated by your directory listings and traffic from Google and Facebook.
