

# OneList Plus 40+Reviews

Increase your visibility.  
Drive traffic to your website.  
Engage with customers.

---

OneList Plus40+Reviews is a real-time online directory service that can boost your visibility when people are researching businesses online.

With OneList Plus40+Reviews, we submit your business information to 40 online directories. The information is locked so it remains accurate and consistent across all directories.

The service also enables you to manage customer reviews and social interactions in one place. Engage with customers, manage your reputation, and publish content like special offers.

---

## \$110/MONTH

6-month commitment

Directories included in this service are subject to change without notice.

OneList Plus40+Reviews includes:

**Exposure on 40 leading online directories, including:**

- Google My Business
- Google Maps
- Bing Maps
- Waze
- Facebook
- And more

**List claiming.** We will claim and optimize your listings so nobody else can alter them. This ensures consistent, accurate information.

**Centralized management.** All of your listings can be updated with just one click.

**Duplicate detection and closure.** We scan for and delete any duplicate directory listings.

**Suppression of incorrect business information.** The service overrides all listings containing incorrect business information.

**Automated reporting.** The system creates monthly reports on activity generated by your listings and traffic from Google and Facebook.

**Email notification of online reviews.** You receive access to a do-it-yourself dashboard so you can view and manage your online reviews. It enables you to see real-time customer feedback via email. You can use this tool to respond directly to users who have submitted reviews about your business.
