The specifications, colour and/or features of vehicle(s) shown here may vary from the actual models.

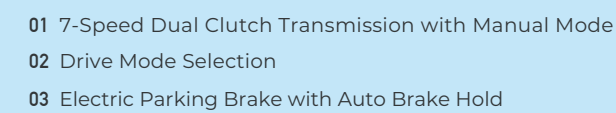

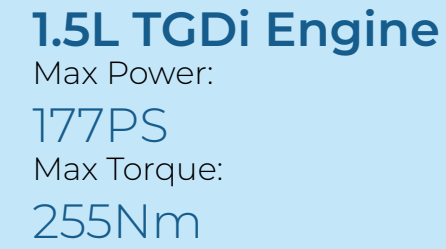

# REFINED

## A woman with long, wavy blonde hair, wearing a white blazer, is driving a car. She is looking at a large, rectangular infotainment screen mounted on the dashboard. The screen displays a navigation map and various icons. The car's interior is modern, with a black steering wheel and a large, black, rectangular air vent or sensor unit mounted on the ceiling. The windshield shows a cityscape at dusk or dawn, with a bridge and buildings visible. The overall atmosphere is bright and modern.

A blue Proton X70 SUV is shown driving on a road, with a large engine component shown above it, emphasizing performance. The car is in motion, and the background is blurred, suggesting speed. The word "PERFORM" is written vertically on the left side of the image.

# REASSURED SAFETY

Drive with confidence and reassurance that your safety is uncompromised with updated intelligent safety technology

- 04 Lane Departure Warning (LDW)
- 05 Lane Departure Prevention (LDP)
- 06 Lane Centering Control (LCC)
- 07 Lane Change Assist (LCA)
- 08 Rear Cross Traffic Alert (RCTA)
- 09 Rear Collision Warning (RCW)
- 10 Traffic Sign Information (TSI)
- 11 Intelligent High Beam Control (IHBC)

## Advanced Driver Assistance System (ADAS)

Multiple advanced sensors and cameras constantly working to sense and react to what you might not have, keeping you and your loved ones safe.

ADAS safety features are not a substitute for safe and attentive driving. Driver remains responsible for safe vehicle operation at all times.
