

**NY Capital District Ski Council
Awareness Days
2024 – 2025**

Visit us any (or every) Tuesday in January, from 3 – 10 pm, to get those legs in shape for that BIG TRIP later in the season. Assuming 4-5 laps an hour on our high-speed Berkshire Express, you'll get 30+/- runs or 36,000+/- vertical feet. Enough skiing or riding to get you in shape for any trip and more fun than the gym.
