

HOLIDAZE SKI TOURS®

and **Club Mel** Presents:

Valle Nevado & Santiago Chile

August 20 - 30, 2026

\$3,526. p.p. Double, \$4,242 Single

Valle Nevado Ski Resort is Chile's highest and most modern ski resort, with an upscale infrastructure and plenty of lodging and dining options. The resort is close to Santiago and totally above treeline, with well-groomed slopes and an abundance of off-piste gullies that gives the feel of a natural terrain park. With all this, the mountain skis bigger than even its 44 runs suggest. You just need to know where to go. Pro skiers and snowboarders and national ski teams from the US, Canada, and Europe head to Chile from August until mid-September to train, film video segments, run product catalog photo shoots, and build up their social media content. It's common to end up sitting on a chairlift or have dinner next to the best skiers and riders in the world. Chile is without a doubt the ski and snowboard "summer camp" for the world's best. August is generally the best time to ski and ride powder. Snow storms build the resort bases from May through July. Come August, the bases are deep and more storms continue to refresh the slopes and backcountry. August is a good time to have great quality snow.
