## 6. Rescind Biden's executive orders on whole-of-government DEI

a. As Chris Rufo recently put it, "Immediately on assuming office, the president should issue a suite of executive orders to 'surround and smother' left-wing ideologies across six domains: bureaucracy, content, policy, funding, behavior, and personnel."

### b. New legislation for handling new threats

Such as ....

- a national right-to-work act to liberate unionized professors
- antimasking laws of the sort that were effective in countering the Ku Klux Klan
