

FAST TRACK FENCE STAIN APPROVAL FORM

The Board of Directors of the Ponderosa Trails Homeowners Association has approved three stain colors as a "fast track" for use on the fences within the association. **By using this form, you do not have to wait for the 10-day review process. This will save the homeowner time and provide uniformity in the street side fence colors improving the overall appearance of the community.** Please submit this Form to katy@sterlingrem.com prior to staining the fence. If you would like to use a different color, you must use the Exterior Finish Application and wait for a decision of the Architectural Committee before proceeding.

Note that WOODBRIDGE SC-116 is the preferred stain option for back fences bordering a city street.

The above colors are BEHR (Home Depot), but you do not have to use BEHR stain. You may use an equivalent stain from another manufacturer, but the colors must match the BEHR stain. The fence stain MUST BE AN OPAQUE/SOLID/NO TRANSPARENCY STAIN to qualify for the "fast track". It is recommended that an oil-based stain is used for longevity.
