

CITYPLACE SOUTH TOWER
MANDATORY USE OF MASKS OR CLOTH FACE COVERINGS
WITHIN ASSOCIATION PROPERTY

Dear CPST Residents:

In conjunction with Palm Beach County Executive Order 2020-004, which sets forth the directive to wear face masks or cloth face coverings in locations where social distancing measures are not possible, the Board recommended to all CPST residents to do the same while in common areas of the building. It has been observed that a number of residents are not following the recommendation.

Therefore, at this time the Association is mandating the use of masks or cloth face coverings in areas of the Association property where social distancing is not possible, such as elevators, hallways, lobbies, mailroom, etc. Failure to comply with this new rule will result in appropriate action being necessitated. This is not only for your protection but for the protection of all your CPST neighbors and staff. Please cooperate and help stop the spread of COVID-19.

Thank you,
